

I. Quarterly Highlights

APICDA's employment goal for 2000 is to provide at least 80 jobs for local residents. By the conclusion of the fourth quarter, a total of 356 job positions (137 unique individuals) had been filled, generating wages of \$2.47 million.

During the fourth quarter, five individuals attended various vocational education or specialized training programs, bringing the year's total to sixty scholarships.

Twenty-three individuals used APICDA higher education scholarships during the fourth quarter of the year. Effective January 1, 2000, APICDA increased its higher education scholarships from \$3,000 per individual per year to \$5,000 per individual per year.

APICDA received its 2001 and 2002 CDQ allocation recommendations from the state in September. The state recommended a reduction in APICDA's pollock allocation from 16% to 14%. APICDA challenged the state's recommendations with the Secretary of Commerce.

Bering Pacific Seafoods, L.L.C. ceased operations for the fall in early October. BPS is a joint venture between AJV and Aleutian Quality Seafoods, Inc., with each company owning fifty percent. BPS will initially operate the barge Dipper in False Pass, buying and processing salmon, Pacific cod, halibut, and other species. When the new boat harbor is constructed in False Pass, BPS will construct a shore plant adjacent to the harbor and expand its production. During the summer, BPS purchased and processed salmon from local and regional vessels, and moved into Pacific cod in late August and September. BPS will reopen in January.

Halibut CDQ fisheries in St. George and Atka were completed in August and October respectively.

For the second year in a row of this two year old program, APICDA fully funded its Longterm Reserve Account (LRA) for the year. The program is ahead of schedule in terms of funding.

The following subsidiaries operated profitably or had positive cash flows during 2000: the Dipper, L.L.C., the Prowler, L.L.C., the Ocean Prowler, L.L.C., APICDA Vessels, Inc., Atka Pride Seafoods, the Puffin Seafoods, L.L.C., the Starbound Partnership, the Farwest Leader, the Golden Dawn, L.L.C. and the Konrad 1, L.L.C. In addition, with one exception, each vessel in APICDA's small boat fleet (consisting of eight vessels) posted revenues greater than expenditures.

Please visit APICDA web site at: www.apicda.com

II. Community Development

A. Progress Toward Goals, Objectives, Milestones

The following is a review of the highlights from APICDA's goals, objectives, and milestones. See Tables 1 through 7 for a specific review of all milestones, by community.

1.) Employment: APICDA's employment goal for 2000 is to provide at least 80 jobs for local residents. By the conclusion of the fourth quarter, a total of 356 job positions (137 unique individuals) had been filled, generating wages of \$2.47 million.

2.) Training: APICDA's goal is to provide vocational education and training assistance for any resident who desires the opportunity or needs help. During the fourth quarter, five individuals attended various vocational education or specialized training programs, bringing the year's total to sixty scholarships.

3.) Education: Twenty-three individuals used APICDA higher education scholarships during the fourth quarter of the year. Higher education scholarships are \$5,000 per school year per individual.

4.) APICDA Joint Ventures, Inc. (AJV) Activities: AJV activities during the fourth quarter consisted of overseeing the various subsidiary corporations, including Atka Pride Seafoods, Kayux Development, L.L.C., APICDA Vessels, Inc., the Nelson Lagoon Storage Company, L.L.C., the Nazan Bay Inn, Prowler, L.L.C., Ocean Prowler, L.L.C., Konrad 1, L.L.C., the Dipper L.L.C., the Bering Pacific Seafoods, L.L.C., and Golden Dawn, L.L.C. AJV continued to discuss the formation of new joint ventures corporations, and to review other investment opportunities.

5.) APICDA Vessels, Incorporated (AVI): AVI activities during the fourth quarter consisted of managing its fleet during the fisheries. This includes the five AP boats, the *Stardust*, the *Bonanza*, and the halibut sport charter vessel *Grand Aleutian*. With one exception, all vessels had revenues greater than expenditures during the year.

6.) Small Vessel Acquisition Program (SVAP): During the December 1998, board meeting, the SVAP was suspended. The suspension will carry through 2001 while the board reviews methods to improve the program.

7.) Atka Pride Seafoods (APS) Activities: APS commenced operations in May. Through the end of the year, APS processed a total of 840,835 pounds of halibut. This is substantially higher than harvests through the same time period in the past. For the third year in a row, APS operated profitably.

8.) Puffin Seafoods, L.L.C.: St. George fishermen, fishing for Puffin Seafoods, started fishing in mid-June and completed their harvest in August. The fish were tendered to St. Paul for processing. The local fleet harvested a total of 100,665 pounds (96.18% of their allocation) of halibut CDQ. In addition, the fleet harvested approximately 18,000 pounds of halibut IFQ.

9.) Nelson Lagoon Storage Company, L.L.C.: The company is open for business, and some activity is taking place.

10.) OceanLogic, L.L.C.: OceanLogic, L.L.C., completed development of new software capable of managing shoreside and mothership cooperatives in compliance with the American Fisheries Act and Steller Sea Lion rules and regulations. Development of software for a vessel monitoring system and an electronic logbook has been initiated, with the first version of the logbook to be shipped in early January.

11.) Bering Pacific Seafoods, L.L.C. and the Barge Dipper: The Dipper moved to False Pass in late May, and BPS commenced operations in early June. This was a major project for AJV, and will be a huge boost to the economy and families of False Pass. The company purchased salmon throughout the summer and early fall, before switching to Pacific cod in late August and September. Additional equipment was installed on the Dipper during the fall. This should substantially increase production capability and reduce the cost of production per pound.

12.) Nikolski Lodge: Construction of the lodge began earlier in the summer. A variety of transportation and other logistical delays caused construction to begin later than expected. As a result, construction was halted for the winter, and will resume in the spring. The lodge is fully booked for the first week of August, 2001.

13.) Sea Urchins: APICDA expects to commence limited commercial sea urchin harvesting and processing operations in 2001.

B. Outreach

APICDA staff traveled to many of our communities during the fourth quarter to meet with residents and discuss a wide variety of CDQ and development related issues. APICDA's human resources director, the Unalaska field representative, and the local community liaison officers met frequently to share information regarding employment, training, and other opportunities.

In May, APICDA hosted the fourth annual Community Outreach Conference. This was a two day meeting of the leaders from each of APICDA's eligible CDQ villages. The

purpose of the conference was to discuss the future of APICDA, its subsidiaries, its impact upon each of the villages, and the goals and desires of the villages.

C. Employment

See Table 8 for a quarterly and year-to-date review of employment activity.

1.) Management/Administrative: During the fourth quarter, there were eighteen local residents who received compensation for management/administrative duties. These functions ranged from staff employment, honorariums, to Community Liaison Officers (CLO) activities. The total expended during the quarter was \$104,938 (or \$456,224 for the year).

2.) Direct Employment from CDQ Pollock Fishing: There were two CDQ residents employed in pollock fishing and/or processing operations at-sea on the Starbound during the quarter (total wages of \$113,720 for the year for fourteen positions),

3.) Other Fishing: Forty-three individuals were employed as skippers, crew members, and processing employees in the various non-pollock fisheries during the quarter. Total wages were \$660,453 (or \$1,330,319 for the year).

4.) Other Employment: Twenty-two individuals were employed in a variety of non-direct fishery activities, including the gear storage warehouse in Nelson Lagoon, construction projects directly related to APICDA CDP projects, and other activities. Total wages generated for the fourth quarter were \$89,259 (or \$423,618 for the year).

5.) Interns: There were two intern during the fourth quarter (total wages of \$142,817 for the year for six individuals).

6.) Ancillary Employment and Economic Impacts: The activities of APICDA and its subsidiaries generates significant economic benefits in the region, but much of the benefit is not captured by the existing employment and earnings data tables. For example, the Bering Pacific Seafoods facility in False Pass purchases fish from resident fishermen, from fishermen living in the region (but outside the CDQ eligible community), and from fishermen living outside the region. Similarly, BPS (and other APICDA subsidiaries) employs local residents, regional residents, other Alaska residents, and non-residents. The purchase of fish and the payment of wages, whether to residents or non-residents, have an undeniable economic impact in the community. Goods are purchased with the money received and taxes are paid to the city, the borough and the state.

D. Training & Education

See Table 9 for a review of training and education activity.

1.) Vocational Education: During the fourth quarter, five individuals attended various vocational education or specialized training programs.

2.) Higher Education: Twenty-three individuals used APICDA higher education scholarships during the fourth quarter of the year. Generally, each scholarship is in the amount of \$5,000 for the school year (\$2,500 per semester).

3.) Summer Intern Program: The APICDA Board of Directors approved a major, new intern program which commenced in the summer of 2000. The purpose of the program is to provide summer (or non-school time) employment opportunities to residents receiving higher education scholarships in fields of interest to them, APICDA and its subsidiaries. APICDA will offer interns employment in companies in which it has ownership, with its CDQ partners, and with other companies in a variety of occupational fields related to the needs of the Bering Sea and Aleutian Islands. Salaries and other costs will be borne in whole or part by APICDA. The work performance of interns will be evaluated on a continuing basis. Interns will be able to return to the program year after year during their college career, providing their evaluations are good and they continue to maintain eligibility for higher education scholarships. Eventually, interns could be offered full-time positions with APICDA or its subsidiaries.

The program got off to a slow start in 2000 with two current participants: one individual was employed with the law firm of Foster, Pepper, Rubini & Reeves, and the other with the Aleutian Pribilof Islands Association.

E. Other Issues

There are no other issues not otherwise addressed.

III. Administration

A. Board Activities

1.) Changes in Board Members: There were no changes in board members during the quarter.

2.) Decisions/Actions: The Board of Directors for APICDA met in November. There were no other decisions or actions of major consequence that are not included here or in the confidential section of this report.

3.) Schedule for Next Quarter: The next scheduled board meeting will be in January, 2001.

B. CDP Amendment Status

Shown below are the plan amendments from the fourth quarter:

Numbers	Technical or Substantial	Description	Date Submitted	Date Approved
TA#19	Technical	Add a vessel - Ocean Rover	10/12/00	10/13/00
TA#20	Technical	Pollock Transfer to CVRF	10/31/00	10/31/00
SA#21	Substantial	Atka Mackerel Transfer From YDFDA	10/31/00	11/07/00
SA#22	Substantial	Atka Mackerel Transfer from CVRF	10/31/00	11/07/00
SA#23	Substantial	Turbot Transfer to NSEDC	11/03/00	11/07/00
SA#24	Substantial	Sharpchin/Rougheye Transfer from YDFDA	11/10/00	11/13/00
SA#25	Substantial	CAI Atka Mackerel Transfer to NSEDC	11/16/00	11/17/00
SA#26	Substantial	Sharpchin/Rougheye Transfer to NSEDC	11/27/00	11/28/00

IV. Fishing

A. Harvest Activities for the Quarter

1.) Pollock CDQ Harvest: The 2000 pollock CDQ fishery was concluded early in the fourth quarter. See Table 10 for a review of the completed fishery.

2.) Pacific Cod CDQ Harvest: The 2000 Pacific cod CDQ fishery was concluded late in the fourth quarter.

See Table 10 for a review of the fishery.

3.) Atka Mackerel and Pacific Ocean Perch CDQ Harvest: Atka mackerel and Pacific Ocean Perch CDQ fishing concluded during the fourth quarter.

See Table 10 for a review of the fishery.

4.) Halibut CDQ Harvests: A total of 841,000 pounds of Area 4B halibut has been harvested by local Atka fishermen this year. The catch is ahead of last year's pace. In St. George, local fishermen harvested 101,000 pounds of the Area 4C halibut CDQ in June.

See Table 10 for a review of the fishery.

5.) Sablefish CDQ Harvests: Year-to-date, a total of 37,657 pounds and 27,893 pounds of Bering Sea and Aleutian Islands sablefish CDQ respectively has been harvested. This is a substantial improvement over 1999 and previous years.

See Table 10 for a review of the fishery.

6.) Bristol Bay Red King Crab CDQ Harvest: The Bristol Bay red king crab CDQ fishery occurred during the fourth quarter. Slightly less than 100% of APICDA's allocation was harvested.

See Table 10 for a review of the fishery.

7.) PSC Harvest: The bycatch of prohibited species continues to be low. See Table 10 for a review of the fishery.

B. Compliance

With the exception of a slight overage in the Atka mackerel fishery (less than two mt), APICDA and its partners are and were in full compliance with all NMFS and State of Alaska reporting requirements.

C. Other Fishing Issues/Activities

There were no other fishing issues or activities.

Table 1
Akutan Milestones

Project	Completion Date	Status
Initiate stevedore operations	Winter, 1998	On hold.
Initiate shoreside flatfish fillet and processing operation	Winter, 1999	Under review. Analysis underway. Market conditions are poor.
Initiate crab joint venture with Trident	Winter, 1998	Complete.
Construction of Akutan small boat moorage facility/boat harbor.	2000	\$1 million commitment by APICDA. Permitting underway.
Construct cod processing plant	2000	On hold.

Table 2
Atka Milestones

Complete construction of Atka dock.	Summer, 1997	Complete.
Purchase transient camp and other equipment.	August, 1997	Complete.
Open hotel.	Fall, 1997	Complete.
Complete expansion of water to dock.	Continuing.	Complete.
Continue water tax and pilot boat business.	Summer, 1997	Continuing.
Process sablefish CDQ	Winter, 1998	Underway.
Offer stevedore services.	Spring, 1998	On hold.
Expand processing at APS, both by species and time of year.	Summer/fall, 1998	Underway.
Double cold storage capacity at APS.	Summer, 1998	Complete.
Offer water supply service for vessels at dock.	Spring, 1999	Complete.
Commence value-added production for sablefish, halibut and cod at APS.	Summer, 1999.	Continuing.
Provide warehouse storage opportunity.	Spring, 1999	Continuing.
Add other groundfish species to APS operation	Summer, 2000	Continuing.
Provide limited vessel repair opportunity.	Summer, 2000	Continuing.
Provide fuel depot services.	Summer, 2001	Discussions underway.

Table 3
False Pass Milestones

Complete construction and locate Dipper in community for processing.	July, 1999	Complete.
Begin processing Pacific cod and salmon.	July, 1999	Complete.
Employ ten local residents in connection with Dipper operations.	July, 1999	Underway.
Process Pacific cod and salmon in 2000.	Year 2000	Complete.
Employ fifteen local residents in connection with Dipper operations.	Year 2000	Underway.
Purchase and process 2.9 million pounds of Pacific cod.	Year 2000	Partially accomplished.
Operate profitably in 2000.	Year 2000	Not accomplished.
Process Pacific cod and salmon in 2001.	Year 2001	Underway
Employ fifteen local residents in connection with Dipper operations.	Year 2001	Underway
Purchase and process 2.9 million pounds of Pacific cod.	Year 2001	Underway
Operate profitably in 2001.	Year 2001	Underway

Table 4
Nelson Lagoon Milestones

Develop storage business	Spring, 1997	Complete.
Open storage business	August, 1997	Complete.
Consider construction of processing plant	Escalating	Engineering design and feasibility study for outfall construction scheduled for 2001..
Complete processing plant decision-making process	Fall, 1998	Fall, 2001.
Construct processing plant (if approved)	Spring, 1999	2002.
Open processing plant.	Summer, 1999	2002.

Table 5
Nikolski Milestones

Complete construction of concrete boat ramp in Nikolski	Spring, 1997	Completed.
Construct barge for fishermen's association	Spring, 1997	Completed.
Submit mariculture proposal.	Winter, 1999	Completed.
Commence near shore resource assessment.	Spring, 1999	Underway.
Evaluate near shore fishing opportunities	Fall, 1999	Underway.
Commence mariculture operations	Spring, 2000	Delayed (possibly 2002/03)
Evaluate/Construct Lodge	Spring, 2000	Underway.

Table 6
St. George Milestones

Complete processing plant decision-making process	Fall, 1997	Underway.
Use Small Vessel Acquisition Program to identify boats (if processing plant decision approved)	Fall, '97 - Spring, '98	SVAP suspended for 2001.
Initiate gear and vessel upgrade program	Fall, '97 - Spring, '98	Complete.
Construct fish handling plant	Spring, 1998	Complete.
Open fish handling plant	Summer, 1998	Complete.
Identify Tract I tenants or generate revenue from facilities	Fall, '97 - Winter, '98	Continuing.
Evaluate/decide on construction of northeast side boat ramp	Summer, 1997	Decision not to proceed, Dec. 1998 board meeting.
Construct new outfall and other harbor improvements, through Kayux Development, L.L.C.	Fall, 1998	Complete.

Table 7
Other APICDA Milestones

Purchase large commercial fishing vessels	Ongoing	Continuing.
Continue Quota Share Loan Guarantee Program	Ongoing	Continuing.
Purchase Quota Shares	Ongoing	Continuing.
Complete evaluation of stevedore business joint venture	1998	On hold.
Provide annual donation to local fishermen's associations	Spring (each year)	Continuing.
Annual conference of Community Liaison Officers	Winter (each year)	Continuing.
Assessment of Product Diversification Program expansion opportunities	Ongoing	Ongoing
Develop flatfish operation.	Ongoing	In process.
Distribute annual school grants	Winter (each year)	Continuing.
Establish higher education scholarship funding levels and identify recipients	Spring (each year) Fall (each year)	Ongoing.
Continue implementation of Small Vessel Acquisition Program	Ongoing	SVAP suspended for 2001.
Assess sea urchin resource	Summer, 1997	Additional assessment in '99.
Develop mariculture proposal for Atka, Akutan, Nikolski, & False Pass	Winter, 1999	Submitted, April 1999.
Implement mariculture program	Spring, 2000	On hold.
Develop small boat fleet joint venture with Yukon Delta Longline, Inc.	Fall, 1998	Unsuccessful.
Evaluate all joint venture and subsidiary investments from a goal, objective, and profit making perspective	Quarterly	Continuing.

Table 7
Other APICDA Milestones (continued)

Initiate College Intern Program	Spring, 2000	Initiated.
Identify Internships	Spring, 2000	Initiated.
Identify Interns	Spring, 2000	Initiated.
Develop internal system to evaluate interns individually, and the program overall	Spring, 2000	Initiated.
Maintain and improve college intern program	2001 plus	2001

Table 10 (continued)
APICDA 2000 CDQ Harvest Through The Fourth Quarter
(Halibut, Sablefish, and Crab)

Halibut Harvest	CDQ				Remaining
		Allocation (lbs)	Harvest (lbs)	% of Allocation	Allocation (lbs)
	Area 4B	982,000	937,481	95.47%	44,519
	Area 4C	101,500	100,665	99.18%	835
	Total	1,083,500	1,038,146	95.81%	45,354

Sablefish Harvest	CDQ				Remaining
		Allocation (lbs)	Harvest (lbs)	% of Allocation	Allocation (lbs)
	Bering Sea	48,611.430	37,656.773	77.46%	10,954.657
	Aleutian Islands	120,371.160	27,892.599	23.17%	92,478.561
	Total	168,982.590	65,549.372	38.79%	103,433.218

Crab CDQ Harvest				Remaining	
	Allocation (lbs)	Harvest (lbs)	% of Allocation	Allocation (lbs)	
	St. Matthew's King Crab	unknown	unknown	0.00%	unknown
	Bristol Bay Red King Crab	122,053	121,470	99.52%	583
	Opilio Tanner Crab	251,876	252,232	100.14%	-356
	Total	373,929	373,702	99.94%	227

Table 11
Groundfish and PSC Harvested in APICDA MSCDQ Fisheries
Which Does Not Count Against MSCDQ Allocation
(through December 31, 2000)

Pollock harvested by non-pollock vessels:

Company/vessel	Harvest (mt)	Retained (mt)	Discarded (mt)	% Retained
Fixed Gear	74.302	59.364	14.938	79.90%
Trawl Catch Processor	44.820	40.359	4.461	90.05%
Total	119.122	99.723	19.399	83.72%

PSC that does not accrue against the PSQ allocation:

	<u>Chinook</u>	Non- <u>Chinook</u>	<u>King Crab</u>	<u>Bairdi</u>	<u>Opilio</u>
Fixed Gear	0	0	77	14	3
Trawl Catcher-Processor	87	681	0	0	0
Trawl Catcher Vessel	0	0	0	0	0
Total	87	681	77	14	3
