## **Preface**

This directory is updated each year to provide a comprehensive listing of all state-chartered banks, national banks, state and federal thrifts and credit unions, small loan companies, premium finance companies, trust companies, deferred deposit lenders, and BIDCOS, that are approved and operating in the State of Alaska. We hope the information is helpful, and we welcome any comments you may have.

The Division of Banking and Securities charters, licenses, and supervises state-chartered commercial banks (3), mutual savings banks (1), credit unions (1), trust companies (2), bank holding companies (3), small loan offices (1), premium finance offices (19), deferred deposit offices (31), and BIDCOS (1). In addition to these state-chartered institutions, there are 3 nationally-chartered commercial banks, 1 federal chartered savings bank, 13 federal credit unions, and 1 nationally chartered trust company in Alaska.
