An application must include

(1) proof of a valid license issued by another licensing jurisdiction; and

(2) proof of completed training, testing, and working experience that the board finds to meet the minimum requirements of this state.

(e) A person licensed as an instructor is considered to be licensed as a practitioner and is subject to the same requirements that a practitioner is subject to, in the same area for which the person is licensed as an instructor, except that, for purposes of setting fees under AS 08.01.065, the department shall consider instructors to be an occupation separate from practitioners. The regulations must require that a shop for tattooing and permanent cosmetic coloring or for body piercing be inspected and certified by the Department of Environmental Conservation as being in compliance with the regulations adopted under AS 44.46.020 before a shop license may be issued under this subsection. A shop owner shall be licensed to operate a shop without examination, but, unless the shop owner is a practitioner, the shop owner may not conduct business without employing a manager who is a practitioner. This subsection does not apply to a shop for the practice of barbering, hairdressing, or esthetics located in a community having a population of less than 1,000 people that is not within 25 miles of a community of more than 1,000 people.

(b) The regulations adopted under (a) of this section must include provisions under which the board may issue a temporary shop license to a person who has a license or temporary permit under this chapter to practice tattooing and permanent cosmetic coloring or to practice body piercing. The temporary shop license authorized under this subsection may only be issued to cover a site where the practitioner intends to hold a workshop or to demonstrate techniques as part of a convention or other special event, as defined by the board, that includes other practitioners of tattooing and permanent cosmetic coloring or body piercing. Each practitioner of tattooing and permanent cosmetic coloring or body piercing who holds a workshop or demonstrates techniques at a convention or special event shall have a separate temporary shop license and a license or temporary permit under this chapter to practice tattooing and permanent cosmetic coloring or body piercing. The board shall issue a temporary shop license upon receipt of an application from a practitioner demonstrating compliance with the regulations adopted under this section and payment of the appropriate fee; however, the temporary shop license may be summarily revoked, without refunding of the fee, if the Department of Environmental Conservation determines after an inspection that the cleanliness or sanitation conditions at the site covered by the temporary license pose a clear and immediate danger to the public health or safety. A licensee may appeal a summary revocation under this subsection to the superior court.

**Sec. 08.13.130. Display of license or permit.** (a) A practitioner shall display the practitioner's license in a conspicuous location in the practitioner's place of business. Each shop owner is responsible for the display of the licenses of employees. A person holding a student permit, temporary license, or temporary permit shall display the permit or license in a conspicuous location in the school in which the person is enrolled or the shop in which the person works. The school or shop owner is responsible for the display of a permit or license for each enrolled student, apprentice, or temporary license holder.

(b) A license issued to a manicurist by the department must state that the manicurist has successfully completed a course of instruction or training in health, safety, and hygiene concerns related to the practice of manicuring.

**Sec. 08.13.140. Lapsed license.** A lapsed license may be reinstated if the license has not been lapsed for a period of more than three years, or otherwise at the discretion of the board, and all renewal and delinquent fees for the period during which the license has been lapsed are paid.

Disciplinary sanctions and grounds for refusal of a license or permit.** The board may, in addition to the actions authorized under AS 08.01.075, refuse, suspend, or revoke a license, student permit, temporary license, or temporary permit for failure to comply with this chapter, with a regulation adopted under this chapter, with a regulation adopted by the Department of Environmental Conservation under AS 44.46.020, or with an order of the board.

**Sec. 08.13.160. Application of license requirements.** (a) A person holding a valid license to practice barbering under former AS 08.12 is licensed under this chapter and may continue to practice barbering under the conditions imposed by former AS 08.12 and the regulations adopted under former AS 08.12 until the license expires.

(b) A person holding a valid license under former AS 08.28 may continue to practice under the conditions imposed under former AS 08.28 and the regulations adopted under former AS 08.28 until the license expires.

(c) A person holding a valid license issued under former AS 08.12 or former AS 08.28 shall be entitled upon its expiration to a license to practice under this chapter in the field of practice for which the person was originally licensed, without meeting requirements for new licensure.

(d) The licensing and permit provisions of this chapter do not apply to

A temporary license issued under this section is valid for 120 days and is nonrenewable. A person may not receive more than one temporary license for each area of practice licensed under this chapter. A student permit to practice barbering or hairdressing is valid for two years. A student permit to practice esthetics, tattooing and permanent cosmetic coloring or body piercing is valid for one year. A student permit may not be renewed, but, upon application, the board may issue a new permit to the same person or extend an expired permit to the date of the next scheduled examination.
