

REGISTERED AGENT

All corporations, limited liability companies, limited partnerships and limited liability partnerships doing business in Alaska must have a registered agent with an Alaska state address. The registered agent must be an individual resident of Alaska or a corporation authorized to transact business in Alaska. A corporation may not act as its own agent. Attorneys and incorporated law firms can also act as registered agents.

The registered agent receives biennial report notices, accepts legal papers served on the entity, and forwards them to the last known address of the entity.

Registered agents must have an Alaska address. If the mailing address of the registered agent is a post office box, the registered agent must also provide their physical address.

Below is a partial alphabetical list of registered agents in the State of Alaska. Please contact them directly for their addresses and rates. This list is not an endorsement or recommendation of any individual or company and is not a complete list.
