No person, except those specifically exempted from the Alaska Statutes pertaining to the practice of dentistry in Alaska without a current and active license.

EXAMINATION INFORMATION

The board has adopted the Western Regional Examining Board (WREB) as its standard for determining general equivalency with other state and/or regional examinations. An applicant must submit proof satisfactory to the board through Professional Background Information Services (PBIS) that the examination currently administered by the state from which the applicant is basing credentials on, is at least generally equivalent to the current administration of the WREB. The certification of Dental Written and Clinical Examination will be obtained by PBIS and included in their report. Please refer to AS 08.36.234(a)(1)(B) and 12 AAC 28.951 for further clarification.

Be aware that once you submit the application, the \$400.00 application/review fee is nonrefundable regardless if you should decide to not pursue licensure after you have submitted the application.

APPLICATION REVIEW – VERY IMPORTANT MUST READ

Upon receipt of the items above, applicants will be required to appear before the board for a personal interview. The board meets four times a year, usually in March, June, September, and December. The meeting dates are available on the board website at www.commerce.alaska.gov/occ/pden.htm. The completed application and ALL supporting documents must be postmarked to this Division no later than 45 days before the board meeting at which you wish to appear.

Applications will be processed according to the date received. You will be notified in writing as soon as your application has been reviewed.

Applications are processed as quickly as possible. Unnecessary telephone calls to our office delay processing. Because of telephone calls regarding the status of application and because of privacy issues, **we prefer to restrict our telephone responses to the applicant only.** If you are concerned about your application being received in our office, mail it "Certified – Return Receipt Requested." You will receive a delivery notice from the post office.

“YES” RESPONSES

A “Yes” response in the application does not mean your application will be denied. If you have responded “Yes” to any question in the application, additional time will be required for the gathering and assessment of pertinent information.

HOW CAN YOU HELP?

1. First and foremost: Apply far enough in advance to allow for application processing.
2. If you are concerned about your application being received in our office, mail it Certified-Return Receipt.
3. If you wish to expedite processing as much as you can, send any necessary verification forms out via overnight mail to the appropriate organization and include a return overnight mail envelope addressed to the licensing examiner for the organization’s use. This will help them to respond quickly.
4. Insure that the application is complete when you submit it and provide any necessary explanations with the application. Print legibly or type your application.
5. Provide complete explanations for any “Yes” responses; it saves time if we don’t have to request such information.
6. Provide a brief description for any malpractice claims describing what allegation was, the nature of the case, your level of involvement, and the resolution of the case.
